152 AN INDEX TO THE *Victorian Periodicals Newsletter*, NUMBERS ONE THROUGH TWENTY

Thomas Milton Kemnitz (History, University of New Hampshire, Durham, NH 03824)

The following index covers the twenty numbers of the *Victorian Periodicals Index* published to date, including the present number. The full citation is given in the Author Index, with cross-references to this index given in the subsequent listings by reference to the author's name and the issue number of *VPN*. Although the *Newsletter* has not used volume numbers, such numbers have been inserted parenthetically in Roman numerals in the main entry, followed by the issue number, the date, the page, and, finally, in parentheses, the number of the article. Users of this index should note that the subject listings of Victorian persons and periodicals include only those names that appear in the titles of articles.
